## Join Forces for Change: Collaborate with the Palestine Coalition at the Autumn Banquet!

I trust this message finds you well. I am reaching out on behalf of the Palestine Coalition as part of the Watermelon initiative, a project involving a dedicated group of students at NYU. Our primary objective is to increase awareness about the current developments in Palestine, challenge the prevailing media narratives, and foster a sense of community to encourage solidarity and political engagement.

We have been following your impactful campaigns, such as 'Not On Our Dime' and 'No Tech for Apartheid,' and we are truly amazed by your tireless efforts. Your commitment to these causes aligns with our goals, and we are eager to collaborate with Jewish Voices for Peace for our upcoming **Autumn Banquet**.

**Time: 5:00PM to 8:00PM**

**Date: Sunday, November 12th**

**Place: New York University Rosenthal Pavilion, 10th Floor, Kimmel Center, 60 Washington Square S, New York, NY 10012**

As part of the program, we will be conducting a teach-in to explore topics such as the interconnectedness with other ongoing conflicts, share essential resources, provide guidance on contacting representatives, and offer recommendations for educational materials such as books and films. Your participation and support would be highly valued as it would contribute to a diverse, grassroots, and intergenerational perspective within the movement for Palestinian freedom. It would also send a powerful message of support to other Jewish students at NYU who share our cause and, importantly, help give Jewish at NYU voices a platform.

We earnestly hope for your support and look forward to the opportunity to collaborate for the banquet and build a bridge for future collaborations. Please feel free to reach out if you have any questions!

Best regards,  
The Palestine Coalition
